- Member of District Seven child abuse prevention task force.
- Quality assurance manager.
- Conducted monthly peer reviews, represented program at management meetings, and performed other various administrative duties.
- Acting director of facility in his absence.

CLINICAL AND RELATED WORK EXPERIENCE

Circles of Care: Sheridan Oaks Inpatient Unit and Testing Lab
Melbourne, Florida

January, 1999-May, 1999

Supervisor: Roger Keyser, Ph.D.

- Sheridan Oaks: A 28-bed inpatient unit of a private psychiatric hospital with a patient population consisting of general psychiatric ambulatory adults admitted voluntarily or involuntarily.
- Responsibilities include leading daily didactic, art-expression, and discharge planning group therapies, conducting intakes and psychosocial histories, providing individual crisis stabilization, and attending hospital team meetings.
- Testing Lab: An assessment practicum serving the adult outpatient/inpatient and day hospital unit of a community mental health center.
- Responsibilities consisted of psychological assessment including the administration, scoring and interpretation of intellectual, neuropsychological, and personality evaluations.

CLINICAL AND RELATED WORK EXPERIENCE (Continued)

Community Psychological Services

Florida Institute of Technology, Melbourne, Florida

December, 1997- September, 1998

Supervisors: Radhika Krishnamurthy, Psy.D.

Monique Levermore, Ph.D.

Carol Philpot, Psy.D.

Outpatient community mental health clinic serving children, adolescents, adults, and elderly. Provided assessment, therapy, and consultation with schools, industry, and community agencies. Emphasis in training consisted of special attention to the family processes in therapy from a systemic perspective, and to the dynamics of the co-therapy relationship.

Counseling and Psychological Services

Florida Institute of Technology, Melbourne, Florida

August, 1997-December, 1997

Supervisor: James Oelschlager, Psy.D.

Assisted director in overall functioning of university counseling center. Compiled statistics for end of fiscal year report. Assisted director in grant writing, budget planning, and preparation for presentations. Liaison to Florida Institute of Technology departments as well as community agencies.

Office of Clinical Training

Florida Institute of Technology, Melbourne, Florida

May, 1997-December, 1997

Supervisor: Carol Philpot, Psy.D.

Administrative practicum working directly with the Associate Director of Clinical Training for the School of Psychology. Assisted practicum students in practicum assignment planning and site selection. Contacted potential practicum sites to determine readiness for student assignment. Contacted current practicum site supervisors to obtain information necessary for future student assignment. Updated practicum manual and practicum schedules.

Counseling and Psychological Services

Florida Institute of Technology, Melbourne, Florida

January, 1997- August, 1998

Supervisors: Richard T. Elmore, Jr., Ph.D.

Thomas Harrell, Ph.D.

James Oelschlager, Psy.D.

Outpatient university counseling center emphasizing a brief (16 week) therapy model serving students, staff, faculty, and their dependents. Conducted intake interviews, individual, couples, and group psychotherapy. Provided psychological assessments, vocational assessments and case presentations. Provided consultation and psychoeducational workshops to the campus and the surrounding community on a variety of topics including coping with grief and loss, anger management, substance abuse, and improving self-esteem.

Master's Degree Internship

Glenbeigh Health Sources of Orlando, Orlando, Florida

January, 1993-August, 1993

Supervisor: Katherine Bishop, L.M.H.C.

Primary Therapist. Worked with eating disordered and chemically dependent adults and adolescents in inpatient and partial hospitalization programs. Performed social history assessments, diagnostic assessments, individual, marital and family sessions as well as group therapy. Prepared for and conducted specialty groups and lectures. Provided discharge planning, treatment team input and presented cases in supervision group.

CLINICAL AND RELATED WORK EXPERIENCE (Continued)

Master's Degree Practicum

Florida Department of Corrections Probation Office, Orlando, Florida

August, 1992- December, 1992

Supervisor: Anne Heath, Ph.D.

Provided individual counseling at Florida Department of Corrections. Clients were either mandated to attend or sought treatment on a voluntary basis. Compiled intake and termination reports, maintained progress notes, and participated in weekly supervision. Additionally, compiled monthly reports to Department of Corrections to convey information regarding clients' progress.

Master's Degree Practicum

Rollins College Counseling Institute, Winter Park, Florida

August, 1992-December, 1992

Supervisor: Anne Heath, Ph.D.

Outpatient counseling center for students of Rollins College. Provided individual psychotherapy, completed intake reports, maintained progress noted, and participated in weekly supervision.

RELATED EXPERIENCE

Student Therapist

Family Learning Program, Cocoa, Florida; Melbourne, Florida

September, 1996-March, 1998

Supervisors: Juanita Baker, Ph.D.

Nancy Wenk, Psy.D.

Outpatient sexual abuse treatment program serving children, adolescents, non-offending caretakers, and perpetrators. Co-facilitated weekly treatment groups for sexually abused children and adolescents as well as siblings of sexual abuse victims. Provided additional on-going therapy to individuals within the program as needed. Conducted intake interviews, psychological assessments, case presentations and case management. Attended court hearings and filed for Victim's Compensation benefits as needed. Functioned as part of the treatment team emphasizing a behavioral approach to treatment.

Group Co-facilitator

Rollins College Graduate Program in Education and Human Development, Winter Park, Florida

Fall Semesters, 1993-1995

Supervisors: Bert Bertram, Ed.D.

Nancy Cruse, Psy.D.

Marie Shafe, Ed.D.

Co-facilitator in a personal growth/T-group consisting of graduate students in mental health counseling program as a requirement of their group counseling class. Issues related to professional development, transference/countertransference, relationships, loss, sexuality, life transitions, as well as various other topics were processed on a weekly basis.

Graduate Assistantship

Teaching Assistant

January, 1998-May, 1998

Supervisor: Thomas Harrell, Ph.D.

A graduate assistantship awarded to an advanced level doctoral student. Aided in the coordination and implementation of Clinical Skills II class. Responsibilities included presentations of intake procedures and various theoretical orientations and treatment techniques in preparation for practicum placements of students.

RELATED EXPERIENCE (Continued)

Graduate Assistantship

Research Assistant

August, 1997-December, 1997

Supervisor: Thomas Harrell, Ph.D.

Conducted research on various theories of Successful Aging. Responsibilities included review of literature, organization and collation of literature, preparation of overview of prior research findings. Met weekly with supervisor to provide updates on research findings.

Graduate Assistantship

Teaching Assistant

August, 1997-December, 1997

Supervisor: Richard Elmore, Ph.D.

Teaching assistant for first semester clinical psychology doctoral students. Responsibilities included teaching students basic counseling techniques including rapport-building, reflection, and attending skills according to the Carkhuff model.

Teacher

Academy of Learning, Longwood, Florida

August, 1989-June, 1991

Junior Kindergarten Teacher. Coordinated daily classroom activities and lesson plans for eighteen students. Participated in parent-teacher conferences. Made recommendations regarding advancement to kindergarten.

PROFESSIONAL ACTIVITIES

Committee Member

Florida Institute of Technology

July, 1998-Present

Supervisor: Richard T. Elmore, Ph.D.

Selected to serve on planning committee for clinical skills lab practicum. Served as one of four graduate students to assist in the design and implementation of a clinical skills lab.

Peer Supervision

Florida Institute of Technology, Melbourne, Florida

January, 1998-May, 1998

Supervisor: James R. Oelschlager, Psy.D.

Provided peer supervision for beginning doctoral level therapists at Counseling and Psychological Services. Responsibilities included weekly group supervision sessions in which therapists are provided with support and assistance in adjusting to the role of therapist, formulating and presenting case conceptualizations, conducting intake interviews, and writing psychological reports. Issues of role induction, transference/countertransference, termination, and boundary-setting were also discussed.

Administrative Assistant

Office of Clinical Training

January, 1998-May, 1998

Supervisor: Philip Farber, Ph.D.

Assistant to the Dean of the Office of Clinical Training. Contacted potential practicum sites to arrange site visits. Met with practicum students to coordinate future practicum placements.

PROFESSIONAL ACTIVITIES (Continued)

Graduate Student Senate Member

Florida Institute of Technology, Melbourne, Florida

June, 1997-May, 1998

Elected by peers to be a founding member and representative on the graduate psychology student senate. Responsibilities included the formation of the senate as this was the first year a senate was created for psychology students. Created and established by-laws, formed committees, served as liaison between faculty and students, and represented and advocated for the student body in the Graduate School of Psychology. Additional responsibilities included the creation of a newsletter for faculty and students.

Newsletter Editor

Counseling and Psychological Services, Florida Institute of Technology, Melbourne, Florida

May, 1997-May, 1998

Supervisor: James R. Oelschlager, Psy.D.

Responsibilities included the coordination of the university counseling center's newsletter. Specific duties included generating specific article topics, assigning articles to be written by student therapists, proofreading and approving articles for format, grammar, and content, approving graphic lay-outs, and distributing the newsletters to students, staff, and faculty of the university.

Student Interviewer for New Faculty Member

Florida Institute of Technology, Melbourne, Florida

April, 1997

Selected to interview and answer questions for prospective faculty member. Provided recommendations to faculty based upon these interviews.

Student Interviewer for New Applicants

Florida Institute of Technology, Melbourne, Florida

March, 1997 and 1998

Responsibilities included interviewing and answering questions for a group of six new applicants to the Psy.D. program, as well as providing recommendations for acceptance based upon these interviews.

Liaison

Counseling and Psychological Services, Florida Institute of Technology, Melbourne, Florida

January 1997-July, 1997

Served as a liaison for Counseling and Psychological Services (CAPS) to Crisis Services of Brevard County. Responsibilities include facilitating regular communication between CAPS and Crisis Services and arranging for requested presentations.

Psychometrist

National Eating Disorders Awareness Week, Valencia Community College, Orlando, Florida

February 8, 1996

Lectured to students, faculty, staff, and community on eating disorders. Responsibilities included administering, scoring, and interpreting eating disorder screening surveys and made recommendations and referrals regarding which participants required more extensive attention regarding unhealthy eating habits.

PROFESSIONAL ACTIVITIES (Continued)

Certified Targeted Case Manager

The Children's Center of Osceola Mental Health, Kissimmee, Florida

June, 1991-August, 1993

Lead Case Manager and Case Manager Supervisor. Member of Family Services Planning Team. Advocated for clients and their families and linked them to appropriate resources within the community. Coordinated counseling sessions with support personnel. Maintained charts to Medicaid standards including documentation of progress, treatment planning and assessment. Developed and implemented respite program. Participated in inservice trainings and weekly staff meetings. Attended court hearings and testified on behalf of clients. Caseload mainly consisted of Emotionally Handicapped and Severely Emotionally Disabled (EH/SED) population.

VOLUNTEER EXPERIENCE

Mental Health Volunteer

The Children's Center of Osceola Mental Health, Kissimmee, Florida

1990-1991

Volunteered on a weekly basis as a therapeutic big sister for an outpatient client in an EH/SED program who was also receiving treatment in inpatient and outpatient facilities of a community mental health agency. Provided appropriate role modeling for client. Served as liaison between the family and service providers in the community.

Volunteer

Massachusetts Mental Health Center, Boston, Massachusetts

1988-1989

Assistant counselor to a child receiving outpatient services in a mental health center. Addressed needs on a one-to-one basis of a four-year old child. Assisted in developing and implementing a behavioral management program.

Volunteer

Massachusetts Mental Health Center, Boston, Massachusetts

1988

Volunteered in day hospital. Interacted with and provided appropriate skill training to individual chronic patients. Assessed patients needs. Planned and participated in recreational activities.
